Chalet Alpen Valley

A hotel at the foot of the slopes

The Chalet Alpen Valley Mont-Blanc is set in a preserved environment offering exceptional panoramic views. Nestled in the village of Combloux, the 29-room boutique hotel overlooks Mont Blanc and Aiguille du Midi, two of the highest peaks in the French Alps.

Hidden behind a large solid wooden door, awaits a warm and inviting interior designed by Chantal Peyrat. Inspired by a family home, the boutique hotel conveys a true sense of belonging, where one would return to over the years.
